

INTERNATIONAL MINING CONFERENCE AND EXHIBITION 2010

**ADVANCED MINING
FOR SUSTAINABLE DEVELOPMENT**

FIRST CIRCULAR AND CALL FOR PAPER

Ha Long Bay, Vietnam - September 23-25, 2010

FIRST CIRCULAR AND CALL FOR PAPER

ADVANCED MINING FOR SUSTAINABLE DEVELOPMENT

September 23-25, 2010

With the supports from Ministry of Industry and Trade of Vietnam, Vietnam Union of Science & Technology Associations and World Mining Congress, the International Mining Conference on “**Advanced Mining for Sustainable Development**” is organized by Vietnam Mining Science and Technology Association, Vietnam National Coal-Mineral Industries Group, Association of Mining Engineers and Technicians (Poland), and Hanoi University of Mining and Geology.

The conference will be held from September 23-25, 2010, in Ha Long Bay, the World Heritage located in the biggest coal field of Vietnam.

During this occasion, the 91st Meeting of the World Mining Congress International Organizing Committee will be held on 24 September 2010 at the same place.

Halong, a calm and tranquil bay with thousands of unique stone islets jutting high from the sea’s surface, is famous throughout the world for its legendary scenery. Halong is a natural wonder, an asset of the world to be held in common. The aesthetic and geological value have led it to being recognized as a World Heritage Site by UNESCO. Halong has become a major tourist centre, attracting tourist from everywhere in Vietnam and abroad.

In the context of facing great challenges with the degradation of natural resources, economic crisis, fluctuant metals prices, high cost of power and labour ..., the requirements for finding new mining technology with the modern and economic technological advantages is emergency for development of a sustainable mining industry. The three-day conference is a good opportunity for all national and international mining scientists, experts, managers and technicians to share their knowledge and experiences in the sector.

CONFERENCE TOPIC
Mining in the complicated natural conditions
Minimization of negative impacts of mining industry on environment
Application of new geodesy-map technologies in mineral mining industry
Mining and environmental protection in petroleum mining industry
Down-stream processing technologies, comprehensively use the natural resources and environmental protection
Mechanization of the underground mining technology in the complicated geological condition
Economical mining and mineral legislation
Reducing the power consumption in mining industry
Other related issues

National and international contributors are invited to submit papers for possible inclusion in the program.

Please submit the proposed topic and a 300 words abstract to the Organization Committee

Abstract should be submitted before December 31, 2009
Final paper should be submitted before April 20, 2010.

All accepted papers will be included in the Conference Proceedings and in CD format distributed to the Conference participants and will also be available on VINAMIN website.

SUPPORTERS

Ministry of Industry and Trade (MOIT)

Vietnam Union of Science & Technology Associations (VUSTA)

World Mining Congress (WMC)

Conference Organizers

Vietnam Mining Science and Technology Association (VIMA)

Vietnam National Coal-Mineral Industries Group (VINACOMIN)

Association of Mining Engineers and Technicians (SITG-Poland)

Hanoi University of Mining and Geology (HUMG)

Mining Exhibition 2010

During the week of the Conference , the International Mining Exhibition will be held in the same area at the Ha Long Bay, Quang Ninh province, Vietnam, where mining equipment, technological developments, and mining related services and knowhow will also be exhibited.

Accommodation and Field trip

The organizer will help to arrange accommodation.

The field trips will be organized.

Information on accommodation and field trip will be informed in the second circular.

Registration

Registration fee:

	Before July 20, 2010	After July 20, 2010
Delegate	USD 300	USD 350
Accompanying person	USD 100	USD 150

Preliminary Registration form:

First name	
Last name	
Job Title	
Organization	
Address	
Email	
Phone	
Fax	
Date, 2010 Signature	I am interested in attending as <ul style="list-style-type: none"><input type="radio"/> Delegate /Speaker<input type="radio"/> Exhibitor/Visitor<input type="radio"/> Sponsor/Advertiser<input type="radio"/> Field trip

**Chairman
Conference Organizing Committee**
